# MURPHY ASKED BY MITCHEL IF HYLAN'S A TOOL

Boss Responds: 'I'm Attending to Business at Tammany Hall.'

NOTHING MORE TO SAY

Mayor Continues Attack on 'Past Performances' of His Adversary. .

Mayor Mitchel last night continued his ofter attacks on John F. Hylan, the Charles F. Murphy-asking the "Chief" whether his reason for nominating Judge Hylan was his belief that a man who would accept financial help from Alfred R. Goslin was the sort of "tool" that he Mr. Murphy, could use.

Mr. Murphy was at .Tammany Hall peterday, but refused to reply to the Mayor's inquiry whether he knew of Judge Hylan's past life.

"I am attending to business at Tammany Hall," was the only comment made by Mr. Murphy. The Mayor in his statement last night

"Last night in his denial which did not dehy. Judge Hylan nervously proan attempt to distract attention from the sues of the campaign.

#### A Vital lasue.

"I say to him and to his masters that hin F. Hylan's fitness to handle \$200,-60,000 a year of public money is a present, pertinent and vital issue.
"It is charged, and Judge Hylan admits, that he sued the company which he himself organized for \$5,923 for

# COUNCIL URGES THAT COLUMBIA **CURB TRUSTEES**

Faculty Recommends Reference of All Charges to Special Committee.

MANDATORY CLAUSE OUT

Report of Committee of Nine Materially Altered-Prof. .Dewey Resigns.

An important change in the policy of Columbia University so far as it affects officers of the institution or members of the faculty who come in con-flict with the board of trustees or with S. S. North Dakota, and John, 17, with other officers or faculty members was the Fourth New Jersey Regiment, now recommended to the board of trustees boys are of draft age, but all volunteered yesterday by the University Council at for service. a special meeting in executive session These recommendations embody certain changes in policy suggested by the university's committee of nine, which formulated them, it is understood, as

a result of the agitation over the ousting of Profs. J. McKeen Cattell and H. W. L. Dana and the resignation of Prof. The principal change advocated by

the committee of nine is the formation of a committee of reference, to which may be referred any matter affecting the relation of any officer or faculty member to his colleagues or the trusmember to his colleagues or the trus-tees. As this change was worded in the printed report of the committee, a copy of which was made public yesterday, the reference of such matters to the com-mittee of reference was made manda-Markets.

Here is one order that was filed, together with the wholesale prices which and the words "may be" substituted.

#### Took Power From Trustees.

In its original wording the proposed change was the most radical suggestion that has been made at Columbia in recent years, taking from the hands of the board of trustees the right to be the sole judge of the acts of a faculty member or officer of the university and

committee of nine, as they were finally adopted by the University Council, are

2. That any matter affecting the relation of an officer of the university to

ferred to the committee either through 3. That the trustees' committee on ed-

members of a local exemption board. As manent teaching staff of the university, a result an investigation was started to submit to the committee of reference, in conference or otherwise, for consid-It is known that in a number-of cases eration and report, the facts and docuted perfury in making this affidavit, physicians have for fees given drafted ments regarding any specific proposal men drugs that would make them apthe had knowledge, at the time of pear physically unit. There are a number on education be further requested to recof drugs that will increase the action of ommend appropriate formal action by the heart, others that will make it slow the trustees to establish such procedure

4. That this committee of reference be composed of the president of the univer-sity as chairman, and six members decoring array of evidence produced spoint him, Judge Hylan declared last for reexamination without previous power to elect two or more additional for reexamination without previous power to elect two or more additional embers to serve for any specific occasion: that of the first six members tw shall have terms of service of one year, two of two years and two of three years as determined by lot, and that thereafter members shall be elected for terms of

5. That the committee of nine be dis-

Prof. Dewey Quits Committee. When the council made public the report of the committee of nine it became known for the first time, except in the inner circle of Columbia, that Prof.
John Dewey had resigned as a member
of the committee because of the action of President Butler in demanding the resignation of Prof. Dana. Prof. Dewey's letter of resignation, addressed to Edwin R. A. Seligman, chairman of the committee, states that in view of Dr. Butler's action there seems no rea-son for the continued existence of the committee. The letter in full follows:

committee. The letter in full follows:

"In view of the fact that the president has asked for the resignation of Prof. Dana under penalty of dismissal without securing an inquiry by or hearing before any representative body of the faculties, there seems no reason for the continued existence of the committee of nine, and I herewith present my like the second of the committee of nine, and I herewith present my like the continued existence of the committee. The letter in full follows:

"The issue now and hereafter." he declared, "is an issue between consolidated operation of our railroads in private ownership and their unified.

# AT BAY BATTLES TO HOLD SYORB

Desperate Stand Made in Oesel After Plea to Save Petrograd.

2 FOE WAR BOATS SUNK

Germans Start Drive on Serel to Command Riga Gulf-2.400 Prisoners Taken.

LONDON, Oct. 18 .- With the Petrograd Council of Workmen's and Soldiers' Delegates calling upon the army and navy to obey their commanders and save the capital by repelling the Germans in the Gulf of Riga, the Russian forces are making a strong stand on the Svorb Peninsula, in the southwestern section of the island. The Germans, already in possession of the main portion of the Island of Oesel, have inaugurated strong offensive against the Russians with the object of capturing the teries at Serei, which command the en-trance to the Gulf of Riga. The Petrograd War Office announces

that the Germans have been strongly reenforced and are developing their suc-cess. Berlin officially confirms the Russian report that the Russians, isolated on Svorb Peninsula, are offering desper-ate resistance. Runo and Abro Islands, in the Gulf of Riga, says Berlin, have been occupied by the Germans. are small islands, each about three miles long. Runo is in the middle of the gulf, twenty miles from the Courland coast. and Abro is about ten miles from Arens-

German Ships Aid Drive.

The German official statement to-night says that the Russians were so sharply pressed against the east coast of Oesel Island that only portions were able to escape over the mole to Moon Island. According to the Berlin report 2,400 Russians were captured on Oesel Island, subject of discussion at a secret session of governing representatives of the men in annual convention here to-day. man task on the island was accomplished

in four days.

Mr. Sheppard stated that higher was in no position to hinder the German naval wages for these men will be considered and a schedule drawn up.

Was in no position to hinder the German naval in gold. Later, when it was rumored tives. For students.

#### President of Cuba Sends Smokes Abroad

GEN. MARIO GARCIA MENO-CAL, the President of Cuba, has just made a generous to bacco contribution to the comfort of American soldiers in France. As a man who rose from the ranks of the insurgents to a leadership in the Cuban revolution he well knows how necessary is tobacco to the soldier.

THE SUN Tobacco Fund may be pardoned, perhaps, for expres-sing satisfaction that its work is now being emulated even beyond boundaries of this country. It is proud to welcome the Chief Executive of a sister republic as a cooperator and ally. President Menocal, by the way, has been a reader of THE SUN for thirtythree years.

Announcement is made this morning of the entry of several more stars into the list of performers in the fund's unrivalled entertainment to be given at the Hippodrome the night of Sunday. October 28. Read about the show on page 5. Daily hint: Don't forget to de-

posit your tobacco coupons and certificates in the boxes in the chulte and United Cigar Stores. By so doing you help the fund. WARNING! THE SUN TO-BACCO FUND has no connection

with any other fund, organiza-tion or publication. It employs

no agents or solicitors.

## \$3,000,000,000 Spent by U. S. Since July 1; Entente Allies Got Half of the Total

WASHINGTON, Oct. 16 .- Government expenditures since the be ginning of the fiscal year, July 1, are nearing the \$3,000,000,000 mark. The total reported in the daily Treasury statement of yesterday was \$2,921,075,341. This is nearly \$800,000,000 more than receipts during this period, including that portion of the first Liberty Loan paid since the fiscal year began.

The greatest single item of expenditure was \$1,571,200.000 advanced to the Entente Allies. Ordinary disbursements—including military and naval expenditures and the cost thus far of the shipbuilding and aircraft production programme—were \$1,029,976,541. A total of \$286,711,722 had been expended in the retirement of short time

certificates of indebtedness. Receipts from ordinary sources, including the income tax (paid for the most part just before the end of the fiscal year), customs re-ceipts and taxes on liquors, beer, tobacco and other direct taxes, were

A total of \$512,674,906 on the first Liberty Loan was paid in this fiscal year, while \$1,350,000,000 was realized through the issue of short time certificates of indebtedness, which will have to be re-

tired out of second liberty bond receipts.

Receipts and expenditures for the corresponding period last year were \$220,259,360 and \$302,503,285. respectively, or about one-tenth

#### Britain Chiefly Concerned.

What is skat? asked the court, suspiciously, "'Skat is a Swedish form of bridge," It was explained that primarily the case did not involve the United States Government officially, but concerned the Government of Great Britain and the Government of Sweden. Whatever as-sistance Mr. Elengren had asked of the "The court condemned all of the goods and gold as contraband which was destined for the Germans." State Department was not commented

upon,
It was explained that the British intercepted the pouches at Hullfax after Great Britain had withdrawn all cable and mail diplomatic privileges from Sweden as a result of Secretary Lan-At his home in Weehawken last night r. Lagerlof admitted that the British lusion in the Count Luxburg telegrams arching officers had found the rubber from Argentina.

KAISER IN TURKEY
BUOYS UP BULGARIA.

Said to Have Encouraged Attack on Sarrail's Forces.

London, Oct. 16.—The German Emperor arrived at Constantinopic to-day, neconding to a general superscripting to a despatch via Amsterdam.

Searching officers had found the rubber in the baggage, but decided that they had been hidden away in his clothaing or that he had intended sending the rubber to Germany.

"I had the rubber in my trunk along with my clothes," he said, "but I made no attempt to hide it, It was not intended for Germany and I did not have any intention of doing business with Germans. The rubber gloves and nipples were intended as a gift to a Swedish hospital in Stockholm.

"On previous trips I had taken rub-"On previous trips I had taken rub. are open to suspicion of containing unber hospital goods into Sweden in the neutral matter. The word of the Stocksame manner and sold them to Swedish holm Government as to the innocence of

hospitals. On this trip I was going the material is not accepted without question by Great Britain because of the proved charges of Swedish duplicity and bad faith.

It is explained that Sweden's diplomatic privileges and nipples to the hospital.

Mr. Lagerlof also said that he had France. The Swedish Legation here, in this respect, is cut off from the Stock-bolm Foreign Office because the British and French censors will not let code
